

SCPA Regional Competition Dates

If anyone would like to enter a competition and does not have a partner/team let me know and we will tie you up with other players.

The inter regional qualifiers are a round robin this year so you need to be available for every date in the series. The 20/5/17 will be used depending on the number of teams entering (it will probably be over 26 teams and the 5th day will be used) but this will be confirmed after the closing date.

The winners and runner up from the Inter regional triples, Over 50's, Doubles and Shooting will all represent the region in the Champion of Champions on the dates listed below.

Day	Date	Competition	Closing Date
